

## **Finest Artists' Quality: Limited Edition Cassette**

Faber-Castell manufactures artist materials of unique quality worldwide. The range for discerning artists now presents a new edition: the exclusive wooden cassette is made from a material mix of wood, stainless steel and acrylic glass. Due to the special wood grain as well as the applied serial number, each of the cassettes, limited to 1,761 pieces, is unique.

Each copy is equipped with almost 400 creative products from the Faber-Castell Art & Graphic range: Polychromos and Albrecht Dürer artists' colour pencils, Pitt Artist Pens, Albrecht Dürer Watercolour Markers and a selection from the Pitt Monochrome range. The assortment includes the entire fascinating colour palette and guarantees reliable quality for the highest artistic demands.
